\*Highly Recommended

\*\*I have copies of these I can check out to you, they're very good

**I will allow other books** if they are: 200 + pages, a historical work by one author, not a picture book, written in the last thirty years, not a war or battle book, about U.S. History 1607-1920, and is personally approved by Mr. Sewell (by the end of finals or during summer school, I.H.S)
