

Why Join PTSA?

Your support is vital to our success!

Irvine High PTSA...

Purchases technology and books for classrooms, the Life Center and the library.

Awards mini-grants for classroom and program needs.

Provides ongoing disaster preparedness funding for food, water, batteries and supplies.

Funds extra hours every week for the IHS Health Clerk.

Supports the Heritage and Spur awards.

Sponsors the practice SAT and ACT tests.

Presents enrichment programs and parent and teen education.

Thanks our teachers and staff for making Irvine High such a great place for your students.

Organizes Grad Nite, a safe, supervised, fun night for our graduating seniors.

or donate today.**

Mini-Grants

Each year the IHS PTSA provides funds for variety of teacher requests through a selection process. These can vary from individual teachers needs to programs needs. You can help by donating to the mini-grant program. Funds will be used for mini grants for the 2010-11 year.

Disaster Preparedness Fund

All donations designated for Disaster Preparedness will be used for supplies that are stored for any disaster situation that might occur. Supplies such as food, water, batteries and first aid items must be replaced periodically. Last year PTSA was able to purchase an emergency Public Address system through your support.

Health Clerk Support

Through PTSA's continued support, Irvine High has had a Health Clerk available five days a week. Your donation to PTSA and our Health Clerk donation fund will allow us to continue ensuring Irvine high has this valuable resource available for all 1800+ IHS students.
