

## School Site Council: Parent Ballot

The purpose of the School Site Council is to serve as the school community representative body for determining the focus of the school's academic instructional program and all related categorical resources. The actions of the SSC constitute the first step in a formal process for developing improvement strategies and for allocating resources to support these efforts.

A member will be required to serve on the SSC for a two year term and attend all meetings. The School Site Council works with the school administration and teachers to become knowledgeable about their school, the district, as well as state and federal laws through meetings held throughout the year.

The School Site Council will meet five to six meetings during the school-year. The meetings are to be held the second Wednesday of the month at 2:00 p.m. in the Conference Room, with the first meeting scheduled for October 2010.

Please consider this opportunity to become involved in the education of your child by becoming a member of the Irvine High School Site Council. This year, we will be electing one parent to serve on the council. Voting will take place at Back to School Night on September 15. **If you are interested in serving on the Site Council, return the portion below during registration.** Please write a brief statement to be included on the ballot stating your qualifications and why you should be considered as a representative on the Irvine High School Site Council.

Sincerely,

Monica Colunga  
Principal
